

Community
Service
Patterns

CQU, like all of the Quilter's Unlimited chapters, has an active community service program. It's an opportunity to share our crafts with others in need. Some of our community service projects include:

Teddy bears and Knitted & Crocheted Baby caps made for Fair Oaks Hospital

Reach for Recovery Bags & Pillows for the American Cancer Society
(Bag kits available at CQU meetings)

Baby quilts for Fairfax Hospital's Child Life Program

Quilts for Veterans

Quilts for Manor Care (elderly)

Surgery Dolls for Fair Oaks Hospital

U-Shaped Neck Pillows for Fair Oaks Hospital

Walker Bags - pattern available at

http://www.laurassewingstudio.com/Sewing/Walker_Bag/walker_bag.html

The patterns will help you get started if you are interested in participating in CQU's Community Service efforts. Look for the patterns on the CQU website.

Bring your community service hand-made items to the monthly meeting. Each community service item makes you eligible for a drawing. Just ask the folks at the Community Service table how it works.
