

Glorious Appliqué

Supply List

Kits will contain background fabric of the applique block and applique fabric. Fabrics are selected from instructor's personal stash of 19th century reproduction fabrics, including some rare treasures. Fabric will be true to the style of each quilt, but variations will occur due to the scarcity of some of the fabrics included. Every kit will be handpicked by instructor to give you a quilt to cherish. Kits will contain all fabric required for the center applique block, but not for the entire quilt. The quilts are all scrappy so it will be easy for students to continue the quilt from their stash at home.

Kit fee is included with class registration.

STUDENT SUPPLY LIST

- Light box (if you have one)
- Mini Iron & mat (optional; there will be irons in room)
- Needles, applique thread (50 or 80 weight), small sharp pointed scissors
- Marking pencils for applique (e.g., 3B pencil, mechanical pencil, Bohin marker or student's preferred marker)
