

Based on the current Coronavirus situation, the recent announcement by President Trump and the actions of Fairfax and Prince William counties, I have made the decision to require ALL QU events to be cancelled from Monday March 16 until April 14. Fairfax County has already announced the termination of use of schools for non-school groups (which includes us) until April 12. Prince William County has closed schools through April 14.

Please take the necessary steps to cancel all meetings, workshops, retreats and other activities. Beginning Monday, March 16 through April 14, no QU chapter or Big QU events can be held.

I realize this is difficult but is in alignment with the guidance coming from local, state and national government officials. Also, we are looking ahead to determine what the appropriate actions should be regarding our May 29 - 31 QU Quilt Show. We will have more information regarding the Show in future weeks. I will continue to keep you updated as more information becomes available.

Sue Heisler, QU President
