

Hello QU Members,

Superior Threads is conducting a free, virtual presentation for Quilters Unlimited called The Superior Guided Program. Diane Henry (QU Member and Superior Threads Master Artisan) and Bryan McCann (Superior Threads Outreach Manager) will host the hour long “thread-webinar” and teach us all about choosing the right threads, building our thread

stash and using threads in new and exciting ways. All QU members are invited to attend. Click on this link for all the details <https://www.superiorthreads.com/superior-threads-guided>.

The webinar will be offered on **Wednesday, May 5 (1:00 p.m. and 7:00 p.m. EDT)**.

When it is time to log into the event (select the time that works best for you), go to <https://www.superiorthreads.com/superior-threads-guided>, scroll down and click on the JOIN US ON ZOOM box with the session time of your choice. It will say “Click here to join the webinar” and provides a passcode. When you click on the link to join the session (1:00 p.m. or 7:00 p.m.), you will be asked to register by providing your email/name. You do not need to register ahead of time.

From the above link, you can also learn about the Threads on My Head Challenge (optional) and a chance to win one of two \$50 gift cards to Superior Threads- open to all registered members! To participate, simply create a unique thread-based wearable (for your head!).

Participants of the Superior Threads Guided Event will also be granted access to exclusive thread bundles at incredible savings. See images below for a preview. To learn more and order these sets visit this webpage <https://www.superiorthreads.com/superior-threads-guided>.
