

To our Members, Vendors, and Wonderful Attendees:

It is with sadness that the Quilters Unlimited Executive Board voted to cancel the in-person Quilt Show on June 3-5, 2022. At this time, we cannot be sure that attendance will be sufficient for the necessary gate income or for the financial success of our vendors. Our Show is completely managed by volunteers and with a good percentage of our members in the vulnerable population, the comfort level to attend a show, much less work 3-4 days at the show, just is not there. We plan to have an on-line Quilt Exhibit in June 2022 as we did in 2021 and hope you will enjoy viewing some of the works of our talented members. More information on the Quilt Exhibit will be posted as it becomes available.
