

How to Complete Your Membership Sign Up Process

If you started your membership signup process and didn't complete the payment section, you will need to complete the payment section to finalize your membership. Please follow the steps below to complete the process.

- On your computer/device, type in QuiltersUnlimited.org where you type in URLs (near the top).
- On the right side of the screen is a "LOG IN" box where you can sign in.
- Input your email (the one you used when you signed up for your membership) and your password (you should have received an email with the password when you signed up). If you don't have that email/password, you can click FORGOT PASSWORD and you will be sent a new one.
- Once you are logged on, you will see (at the bottom of your screen on the right) a BALANCE DUE box. Click the box.
- You will be sent to a payment screen. Click PAY ONLINE.
- Input your credit card information and address (scroll down to complete all boxes).
- When done inputting your information, hit the blue box on the right that says PAY \$30.00 (USD)
